Collezione colori telaio / Frame color collection

 BIANCO /white
 MANGANESE /manganese
 SELEZIONE RAL/RAL selection
 Disponibile su richiesta / Available on demand

Le tinte illustrate in questa collezione colore hanno valore puramente indicativo in quanto la percezione del colore in stampa subisce notevoli cambiamenti rispetto al colore originale. La scelta della tinta pertanto va confermata solo ed esclusivamente dopo aver visionato la mazzetta fisica presso i rivenditori Gaggio. / The colors shown in this color collection are purely indicative as the perception of color in the printing phase undergoes significant changes compared to the original color. Therefore, the choice of color should be confirmed only and exclusively after viewing the physical color chart at Gaggio retailers.

 Gr/Mq
 Peso della tela - Grammi per Metro Quadrato
 Weight of the canvas - Grams per Square Meter

 Solidità delle tinte ai raggi UV - Ottima UPF 50+
 Color fastness to UV rays - Excellent UPF 50+

 Colonna d'acqua - idrorepellente > 370 mm
 Water column - water repellent > 370 mm

 Colonna d'acqua - impermeabile >1000 mm
 Water column - waterproof > 1000 mm

 Tessuto totalmente impermeabile all'acqua
 Totally waterproof fabric

 UV resistant - Protezione ottimale dai raggi ultravioletti diretti / UV resistant - Optimal protection from direct ultraviolet rays
